## 01 ► About Septimius Security

SEPTIMIUS SECURITY is a modern Global company that specializes in the fields of security and safety in the MENA region. Our headquarters are in Dublin, Ireland, with offices in Turkey & Libya. SEPTIMIUS SECURITY will further bolster its footprint in the upcoming months as we have successfully signed MoU's with strategic partners throughout the MENA region including Egypt and Algeria with more in the pipeline.

SEPTIMIUS SECURITY's staff have years of extensive knowledge and expertise in the security industry. Through the provision of unrivaled quality security services to Diplomatic missions, Global Organizations, private businesses in the public and private sectors. SEPTIMIUS SECURITY recognize the importance of our security team in providing a customer service that goes above and beyond the norm.

SEPTIMIUS SECURITY's management team and shareholders are of European / MENA origins, this unique combination will afford us the flexibility and cross-cultural understanding necessary to develop long term, sustainable solutions for our esteemed clients.

SEPTIMIUS SECURITY is a global organization with local influence that specializes in private security, risk & safety management consulting. We are committed to providing the highest level of security service enabling our clients to focus on their business objectives. Our primary purpose is to provide a quality service delivered on time and in accordance with strict guidelines insuring our client is safe and informed in an age of ever-changing risk and connectivity.

## 03 ► Personnel

SEPTIMIUS SECURITY is the sum of diverse global expertise bringing together multiple perspective and deep experience to inform our operations. Our expertise reflects our backgrounds as strategy consultants, political scientists, intelligence officers and soldiers from diverse countries and backgrounds which has afforded us the flexibility and cross-cultural understanding necessary to develop long-term sustainable solutions for our clients. It is this combination based on multiple offices across several geographical regions that makes Security Side relative and distinctive.

### 01 International:

SEPTIMIUS SECURITY's database consists of 100+ expats, with different qualifications and nationalities. We hand pick our staff members in accordance with the client's needs, security situation and location.

### 02 Double Nationality:

SEPTIMIUS SECURITY can provide qualified and Experienced Dual passport holders, Libyan-European.

### 03 Libyan:

Full / Part Time: Highly Trained and Experienced local professionals - Parallel Careers: In accordance with Libyan Law we also have a wide range of employees that work in government entities such as the ministry of interior

## 04 ► Quality Assurance and Control

SEPTIMIUS SECURITY's main objective is maintaining excellent service standards throughout the firm, including its highly qualified armed/non-armed personal, armored & soft skin vehicles, technical support systems, security equipment, logistical support, and secure accommodation.

## 05 ► Tasks

### Task Delivery:

SEPTIMIUS SECURITY personnel are assigned accordingly and therefore always familiar with the area of operations, not only the concerned route or facility. After the team is selected and approved by the clients, all relevant security forces in the area of operations are identified, your team will establish a communicate line, allowing an exchange of critical information regarding changes in the security environment.

### Dealing with authorities:

SEPTIMIUS SECURITY maintains a strong working relationship with embassies, private and government security forces throughout Libya, which allows us to have access to various resources from different government entities through mutual trust that has been built over a period of many years. We keep relevant government entities notified of our movements and can call on them for additional assistance whenever necessary.

## 06 ► Task Implementation

### Operational Awareness:

Our clients are always up to date on the latest security procedures and security environment measures. Daily schedules are planned by our experienced staff to cater fit each client, location and security situation. All incidents are reported immediately. Our response to any incident will be determined in accordance with the Libyan Law and client guidelines.

Our attention to detail, constant monitoring and feedback can save lives when the time comes and we always thrive to do our best. Technical security consultants can be deployed upon request by our diverse team of international and Libyan personnel. We provide security briefings, arrival briefings, communications and logistical support while tracking client movements on all our missions.

## 07 ► Communication

Personnel are equipped with all necessary tools of communication:

PRIMARY: Handheld Radios

ALTERNATE: Mobile Telephones

CONTINGENCY: Satellite Telephones

EMERGENCY: GSM & Satellite Trackers

## 08 ► Management of Contract

### Operational Awareness:

SEPTIMIUS SECURITY is capable of mobilizing and implementing any contract within Libya, large or small, within a very short timeline. Our operational experience and knowledge in Libya is unparalleled. SEPTIMIUS SECURITY's database consists of 200+ fully trained local staff members ready to be deployed. SEPTIMIUS SECURITY can facilitate 15+ armored vehicles and 30+ soft vehicles, both in the east and west of Libya upon demand.

## Training and Employment:

Libyan Security personnel are trained by former military and police professionals that have decades of experience working in fluid environments such as Libya. Our personnel undertake regular training exercises in addition to an initial 3 month training program that utilizes a combination of classroom and practical on-the-job training.

It includes tactical and procedural training on driving armored vehicles, personal security escorting, static guarding, perimeter patrolling, Libyan criminal law, English language courses surveillance. We also employ staff that have received previous military or private security training. Staff evaluations are conducted on a monthly basis, providing insight on the Performance of each staff member.

## Code of Conduct:

SEPTIMIUS SECURITY holds the highest standard in dress code, time management, supervision, And evaluation. We also carry out random drug, alcohol and medical testing.

SEPTIMIUS SECURITY strictly adheres to the International Code of Conduct for Private Security Service Providers (ICoCA)

## Transport Management:

SEPTIMIUS SECURITY provides comprehensive journey management plans to all of our clients which can depend on the associated risks within a specific city or region; Variations may include armored police escorts, so skin lead vehicles, tactical distances from the main Mobile Security team clearing the main and alternate routes. The lead vehicle also monitors the environment prior to and during the trip, identifying evacuation routes in case of emergency.

## Assistance in case of Emergency:

SEPTIMIUS SECURITY's Operation Room is located next to the Peacock Compound in Tajora on the east of Tripoli. Our Operations Room is in direct contact with all local security entities across Libya, in the unlikely event that we require additional support or encounter any difficulties during our daily operations.

Clients are provided with a 24/7 emergency number and if for any reason the client feels threatened or the security situation deteriorates, our QRF (Quick Reaction Force) can be deployed to escort and transport them to a secure location that is determined during the initial planning. Evacuation and Crisis Management plans can be drafted by our security advisors upon request. These plans may include local police/army support.

## Medical Assistance:

In addition to the emergency medical packs provided during mobile and static operations, further medical equipment can be supplied upon request, medevac support is available for all clients. SEPTIMIUS SECURITY regularly assess hospitals within close proximity to specific areas of operation. SEPTIMIUS SECURITY has ambulances available for rent that can be onsite 24 Hours a day or on call. Private doctors are also available to visit client locations on short notice.

## 09 ► Conclusion

SEPTIMIUS SECURITY is a mature, competent, cost-effective partner for all your Protective and Risk Management service requirements in Libya.

Our team is highly motivated and flexible, possessing an excellent understanding of Libya. As Dual Citizens and Libyan Nationals, the SEPTIMIUS SECURITY Management Team live and breathe the fluid political and security situation on a day to day basis.

SEPTIMIUS SECURITY ultimately provides peace of mind, enabling its clients to focus on achieving their business objectives, rather than dealing with the worries and concerns associated with the security of their employees and premises.
