# Global Energy Week 2024

Bringing the world's energy community together under one roof

The Energy Circle and the Net-Zero Circle, by IN-VR, are delighted to host leaders of the world's energy communities in London.

This year's event reflects the evolving energy landscape, with a focus on Energy Transition & Decarbonization, Hydrogen Projects and Value Chain, and fostering collaboration between established markets and emerging economies. Building on the success of previous editions, Global Energy Week 2024 offers unparalleled access to industry insights and the latest advancements. Network with key decision-makers from across the globe through dynamic presentations, engaging discussions, and strategic networking opportunities.

**Key themes:**

- **Cross-collaboration between Renewables and Critical Minerals:** Examine the synergy between renewable energy projects and the critical minerals required for their development. Discuss supply chain challenges, sustainability concerns, and opportunities for innovation in the renewable sector.
- **Energy Transition & Decarbonization:** Learn about the strategies and technologies revolutionizing energy systems, boosting efficiency, and promoting renewables. Discuss policy frameworks, market dynamics, and best practices driving global decarbonization.
- **Hydrogen Projects and Value Chain:** Explore cutting-edge hydrogen projects from production to utilization. Connect with industry leaders to see how hydrogen is shaping sustainable energy and driving economic growth.

**Beyond the Conference:**

- **High-Level Networking Events:** Expand your network through exclusive drinks receptions, VIP gatherings, and targeted business meetings.
- **Private Roundtable Discussions:** Engage in in-depth conversations with key decision-makers and thought leaders in intimate, focused settings.

Join us in London for a week of thought-provoking discussions, strategic partnerships, and shaping the future of a secure and sustainable global energy sector.

**We look forward to welcoming you!**

**Stelios Papagrigoriou,**  
Executive Chairman, IN-VR

**Chryssa Tsuraki,**  
CEO, IN-VR
